PRESIDENT'S MESSAGE – Tom Miller:

Veterans,

As we move into Spring things are changing! First the Board of Directors has voted in a big change. We will be moving our monthly meetings to Maple Chase Golf and Country Club 5475 Germanton Rd, Winston-Salem NC 27105. We also changed our meetings to the second Wednesday of the month. That makes our next meeting Wednesday April 8th at Maple Chase. I know this is a lot of change, but the facility will meet our needs for the future and enhance our recruiting efforts. We will be sending reminder emails as the meeting date approaches. I think everybody will like the change. Thank you, Barry and the committee, for all the hard work in researching and coordinating this new venue!

Last month we had a great meeting. We had two notable guests. First was Dena Kilgore from MOAA National. She attended both our BOD meeting and was our guest speaker. She spoke about our need to actively support our advocacy campaign and of the MOAA foundation. **Dena also awarded the MOAA Leadership Award to Ted Robinson and the Outstanding Service Award to Jason Ford.** Our other guest was Donna Culp, President of MOAA NC Council of Chapters. Donna and her husband John donated \$100 to our scholarship fund and challenged another member to match that. Our own Ted Robinson rose to the challenge and donated the same amount. Thanks Ted and Donna.

I have more good news. We have filled some of the open leadership positions. Barry Moore has agreed to fill the Programs Chair position. Scott Gamble and his wife Carol Gamble have agreed to fill the positions of Personal Affairs and Surviving Spouse Liaison respectively. Dennis Lennon, who has been filling in will be training Scott on

the required duties and Carol is learning the Surviving Spouse position from Jackie Koler. Thanks to all for stepping up and volunteering.

In closing, we do have a lot of change coming, but we will get through it. We need to keep our brothers and sisters in arms in our prayers as they are actively serving in combat. I hope to see all of you at our new location on our new night Wednesday April 8th at 1700 hours for Social Hour.

Always Keep Serving,

Tom Miller, President, Tarheel Central Chapter MOAA

SECOND VICE PRESIDENT - LEGISLATIVE AFFAIRS – Barry Moore:

TCC friends: We still need our US Congress to act on completing what the Pact Act began. Veterans exposed to toxic substances like Agent Orange, chemicals released by burn pits, and radiation should not have to fight for decades to prove their illnesses are service-connected. The PACT Act was a historic step forward, but its work isn't complete. Please let our elected officials know we care!

Spring clean your digital footprint: Why retirees are scam targets

https://cyberguy.com/security/spring-clean-digital-footprint-retirees-scam-targets/?utm_source=CyberGuy+Newsletter&utm_campaign=398ca7a5b9-EMAIL_CAMPAIGN_2026_03_25&utm_medium=email&utm_term=0_-398ca7a5b9-501806140

How data brokers, public records and tax season updates can expose retirees' personal information online, by Kurt Knutsson March 24, 2026.

At a glance:

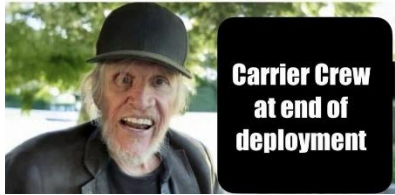

- Your personal information can quietly spread across hundreds of data broker and people-search websites.

- Tax season and public record updates often expand digital profiles without people realizing it.
- Manual opt-outs from data brokers frequently fail because records are refreshed and resold.
- Regular monitoring and data removal can help reduce the information scammers use to target you.

Admiral Brad Cooper (USN), Central Command's Commanding Officer, has led an incredibly complex air and sea campaign against the Islamic Republic of Iran. US pilots have flown more than 6,000 combat sorties (Israel has also been on full court press), and they have done so with great precision and success. The mission pace from especially our in-theater carriers has been relentless. From top to bottom the nation has the best led, best trained, and best equipped military it's ever had. Warriors all, they will do the job, and do it right.

George Maise Angle Jr.

Air Force Major George Maise Angle, Jr. died on March 5, 2026, after a brief illness. He was 80 years old.

George was born in Lincolnton, North Carolina, on April 18, 1945, to George Maise Angle, Sr. and Mildred Aderholt Angle. He was predeceased by his parents; his grandmother, Adelaide S. “Ha Ha” Roberts; her husband, Claude A. Roberts; and his stepmother, Cavell Angle Raudio.

As a child, George lived all over the world, including Monterey, California; Japan; Venezuela; and Panama. Some of his fondest memories were of summers spent at The Gables in Reedville, Virginia, with his grandparents and a host of family and friends, including his dear friend, the late Captain Fred Biddlecomb, and his beloved aunt, Clara Roberts Bray. In Reedville he was fondly known to many as “Porgie.”

George attended Cristobal High School in Panama and Northumberland High School in Virginia, graduating from Cristobal in 1963. He was a member of Sigma Phi Epsilon at Randolph-Macon College, where he earned a Bachelor of Arts degree in Spanish and Psychology in 1967. He later received an MBA from Wake Forest University in 2000.

In 1964, George met the love of his life, Pamela Ann Spigle, on a blind date at the Camptown Races in Ashland, VA. Despite George arriving in madras shorts and Weejun loafers with no soles, Pam was smitten, and George was equally taken with her. They were married on September 6, 1966. Their early years were spent in Richmond, Virginia, where George taught at the Collegiate School. Their sons, Trey and Travis Angle, were born in 1967 and 1974.

George joined the United States Air Force in 1971. He trained at Craig Air Force Base before heading to Nakhon Phanom, Thailand. This began a distinguished aviation career that took him and his family overseas for more than a decade, including assignments in Germany and Spain and a stint with the U.S. Embassy in Madrid. Known by fellow airmen as a “pilot’s pilot,” he flew the U-3, U-6, UV-18, EC-135, C-130, and C-12, and served as an Instructor Pilot, Chief Special Operations Pilot, Chief of Operations and Training, and Chief of Standardization/Evaluation. His service included worldwide C-130 missions across Europe, Africa, and the Middle East, duty as a Forward Air Controller in OV-10A aircraft in Thailand during the Vietnam conflict, and support of operations during Desert Shield and Desert Storm. He was awarded the Defense Meritorious Service Medal, the Air Force Commendation Medal, and other honors for his service.

After returning to the United States, George and his family settled in North Carolina, first in Fayetteville and later in Winston-Salem. He later retired as Chief Financial Officer of Centurion Aviation. George was a lifetime member of the Military Officers Association of America (MOAA) and served the Tarheel Central Chapter of MOAA for 26 years, including 17 years as Secretary and two years as President.

George was exceptionally kind, a gentle giant who stood 6'4" and towered over most people he met. He will be remembered as a lover of wine and bourbon, college basketball, and eating hard crabs. An avid reader and accomplished home chef, George delighted in cooking for family and friends, often sharing his homemade meals, jams, and Christmas cookies over the years. He was rarely without a camera around his neck, always eager to capture life’s moments, though he much preferred being behind the camera than in front of it.

George was a real-life hero to his sons, Trey and Travis, and he treasured every opportunity to spend time with them and their families. Above all, he was devoted to Pamela Ann, though he liked to joke that they were on their seventh divorce.

He is survived by his wife, Pamela Spigle Angle of Winston Salem, NC; two sons, George Maise “Trey” Angle III and his wife, Ann Sheridan Angle, of Fort Mill, SC; and William Travis Angle and his wife, Beth Crowther Angle, of Durham, NC. He is also survived by his beloved “favorite” granddaughter, Kathleen Allison “Katie” Angle of Tiverton, RI, and four strapping young grandsons, Henry Maise and Carter Michael Angle of Durham, NC, and Brooks Aubrey and Leo William Angle of Fort Mill, SC; along with many extended family members and dear friends who loved him deeply and will miss him greatly.

A funeral service will be held at 2:00 pm on Saturday, March 28, 2026, at Currie Funeral Home in Kilmarnock. The family will receive friends at the chapel from 1:00 pm to 2:00 pm prior to the service. Interment with military honors will follow at Roseland Cemetery in Reedville.

In lieu of flowers, memorial contributions may be made in support of Dr. Daniel Nussbaum’s cancer research at Duke University. Checks should be made payable to Duke Cancer Institute and mailed to Duke Health Development, Attn: Culver Scales, 300 W. Morgan Street, Suite 1000, Durham, NC 27701. Online gifts may be made at <https://duke.is/Angle>.

SURVIVING SPOUSE LIAISON – Carol Gamble (pictured at Scott’s left!):

- The VA’s Office of Survivors Assistance has moved from the Veterans Benefits Administration to the Office of the VA Secretary, reversing a Biden-era decision that buried OSA under layers of bureaucracy.
- The VA has created a “white glove” survivor outreach team to guide and assist eligible survivors throughout their Dependency and Indemnity Compensation (DIC) claims process.
- The VA has begun work to identify areas where automation can be used to make the DIC claims process easier to navigate for survivors.
