Bulletin #28-Tarheel Central Chapter – 18 Oct 2025

Subject: Our Job = Recruitment

TCC MOAA 30-second encounter “elevator” speech:

“Are you familiar with the Military Officers Association of America?”

If no:

“It’s a national organization of Military Officers that advocates for all military ranks and veterans’ needs. I belong to this area’s Tarheel Central Chapter. We meet once a month at the Salem Glen Country Club in Clemmons. It’s like an Officer’s Club where you see old friends and make new ones. We have a social hour before a buffet dinner, followed by an always interesting guest speaker.

I’d love to have you come as my personal guest to one of our upcoming meetings...”
